STAR Activity Tracker — Scoring Framework & Rules

1. Scoring & Marks Conversion

Understanding Star Point to Mark Conversion

- The total Star Points (SP), including Bonus Star Points, cannot exceed 200 SP.
- Every 2 Star Points are equal to 1 mark.

Examples:

- For a subject with **50 internal marks**, a student must earn **100 Star Points**.
- For a subject with **60 internal marks**, a student must earn **120 Star Points**.

Any Star Points earned above the required number for the semester will be carried forward to the next semester, subject to the overall limit of 200 Star Points.

Understanding Bonus Mark Conversion

- Students can earn Bonus Star Points (SP) by scoring above the maximum score limit in the following verticals: V2 , V3, V6, and V9 .
- These bonus points can be earned only through the ★-marked parameters in the respective verticals.
- The maximum Bonus SP that can be earned is:
 - V2: 30 SP
 - V3: 25 SP
 - V6: 20 SP
 - V9: 15 SP
- The total SP, including all bonus points, cannot exceed 200 SP.
